THE LOEWENBERG SCHOOL OF NURSING

Dean Lin Zhan, Ph.D.

The Loewenberg School of Nursing provides accessible and innovative higher education by preparing leaders who promote health in the global community through excellent teaching, rigorous research and collaborative practice/service. The Loewenberg School of Nursing (both BSN and MSN programs) is fully accredited without recommendations for the maximum period of time by the Commission for Collegiate Nursing Education. The high quality education is reflected in our graduates’ 95%-100% NCLEX pass rates, sought by world-renowned clinical settings, and in the enrollment growth. With advanced preparation for practice as family nurse practitioners, nurse educators, or nurse administrators, our MSN graduates are prepared to shape the future of healthcare in our nation.

Faculty of the LSON are proud to present the following graduates who have met all of the requirements for either the bachelor of science in nursing (BSN) or the master of science in nursing (MSN) degrees:
